## AUTHENTICITY

---

### STATE OF IOWA

Office of Superintendent of Printing

The former statute which required the compiler of the session laws to certify to the authenticity thereof has been repealed in the belief, evidently, that such authenticity is fully covered by the following section of the code, to wit:

"11312. Printed copies of the statute laws of this or any other of the United States, or of congress, or of any foreign government, purporting or proved to have been published under the authority thereof, or proved to be commonly admitted as evidence of the existing laws in the courts of such state or government, shall be admitted in the courts of this state as presumptive evidence of such laws."
